

**TOWN OF JOHNSON  
CLASS IV HIGHWAY POLICY**

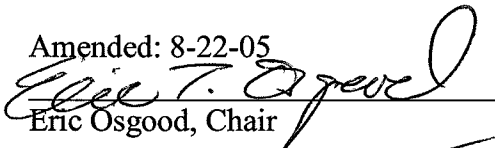

1. The Town will provide no maintenance to Class IV highways, other than the minimum required by State Statute. No winter maintenance will be provided on any Class IV highways.
  
2. If a resident/landowner wishes the Town to reclassify a Class IV highway, (s)he shall first make improvements to said highway, after obtaining Selectboard approval for such improvements, to meet the specifications of the Town of Johnson Highway Policy on development roads currently in effect, as well as any other applicable standards in effect, at his/her own expense.
  
3. All requests for reclassification of highways shall be made in accordance with Title 19 of the Vermont Statutes Annotated and the person/persons making the request for reclassification will be responsible for all costs associated with meeting these requirements.
